

## Barbets Duet

### Invention Convention 16-19 October 2009

The Invention Convention will mark the formal initiation of the Barbets Duet by bringing people from the founding Barbet Sites together with advisors from a variety of disciplines. Together we will:

- Agree on a shared understanding of the Barbets Duet concept.
- Present sites and their potential while also exchanging relevant knowledge.
- Propose new business models for each site and outline experiments to test the new models.
- Reflect on appropriate governance structures and agree on the way forward.
